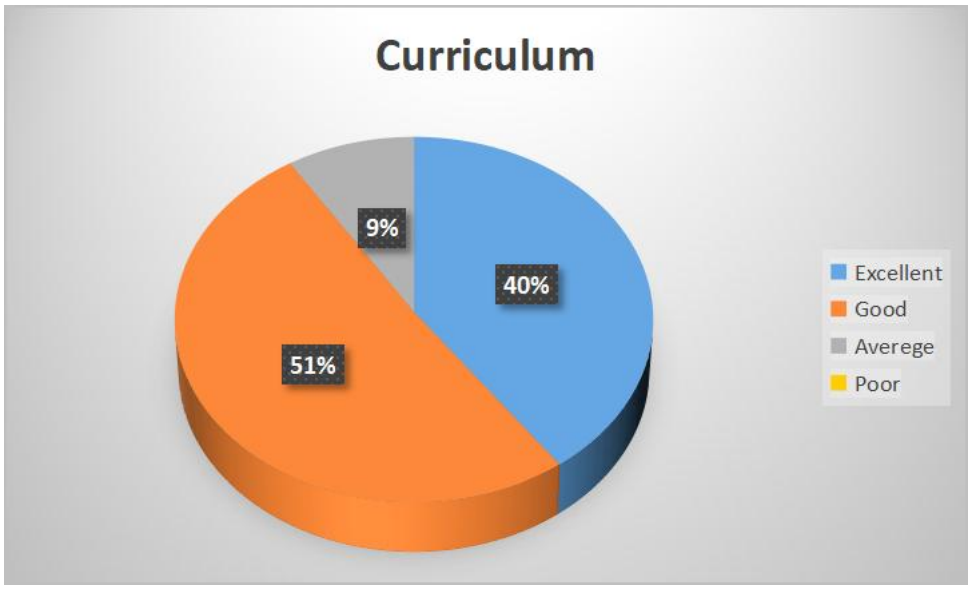
Students' Feedback Report 2021-2022

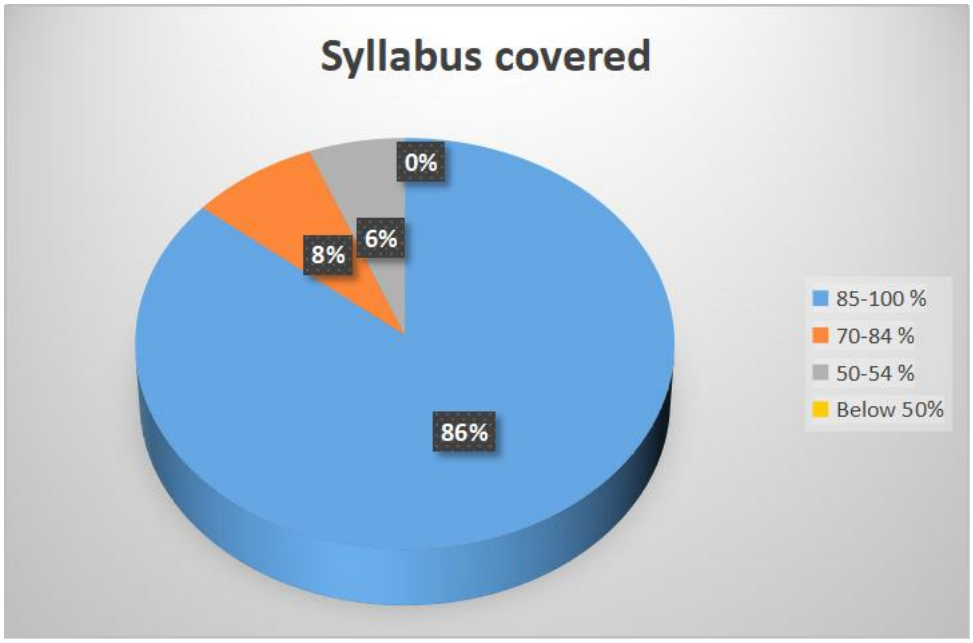
We are collecting feedback from our students on regular basis. We have designed a special form (online) for collecting the feedback and the same is available on the college website and also on student WhatsApp groups. We are collecting feedback from students on Curriculum/Syllabus/ teaching learning process/Library/ICT facilities/ Sports/co-curricular activities/Placement Cell/Infrastructure and online classes. It is the tradition of the college to involve students in its activities. Students' feedback is an important source of information for betterment and development of the institution.

Feedback analysis

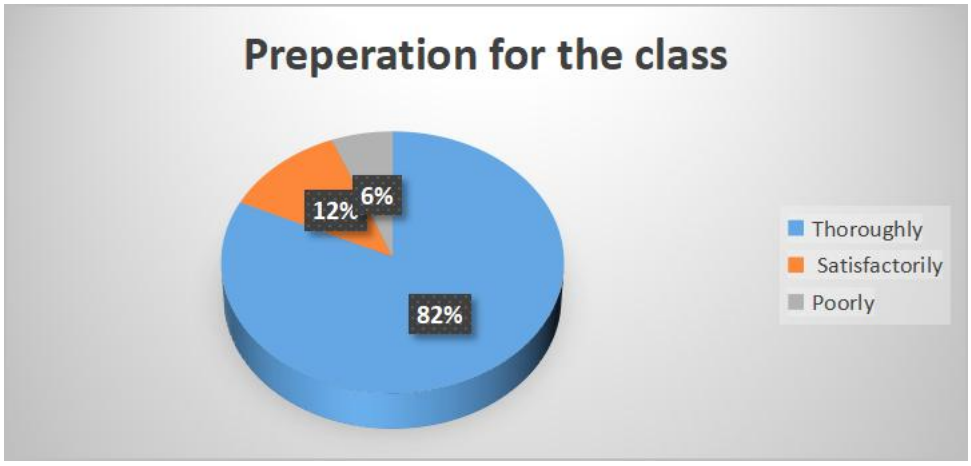
1. Opinion regarding Curriculum



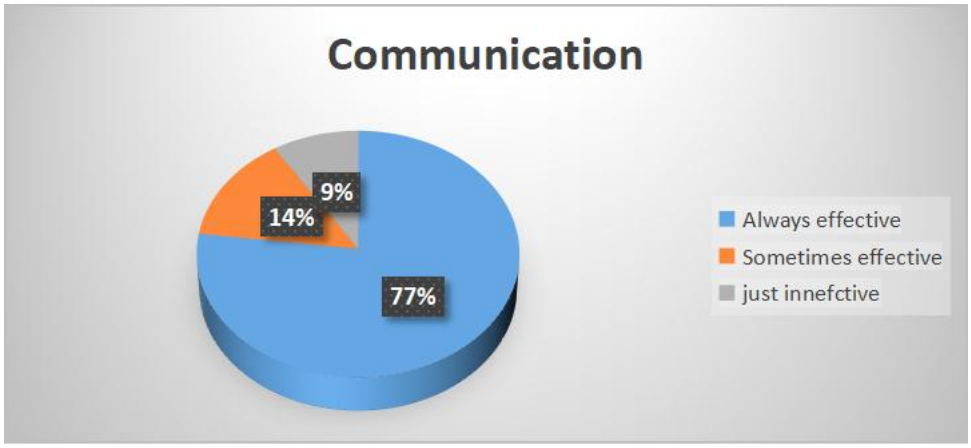
2. Percentage of Syllabus covered in the class



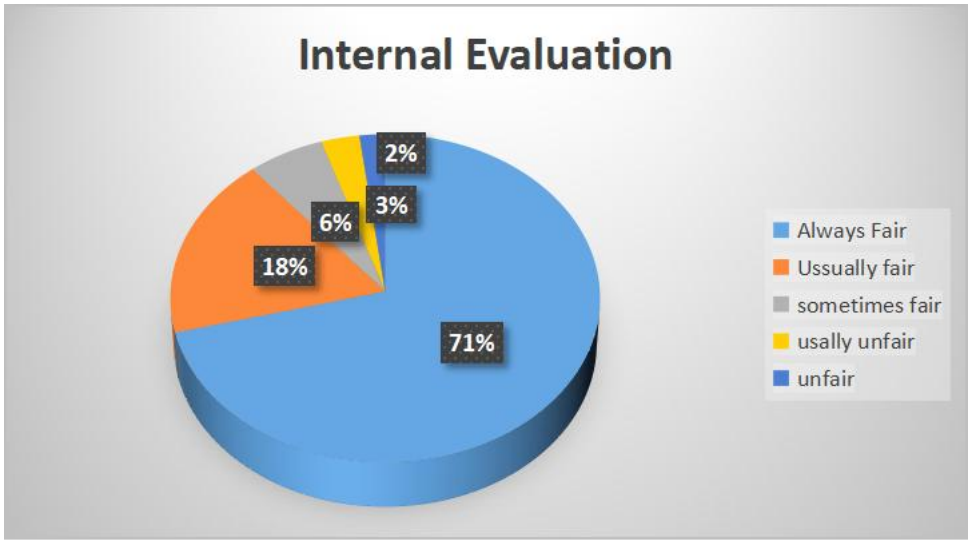
3. How well did the teachers prepare for the classes?



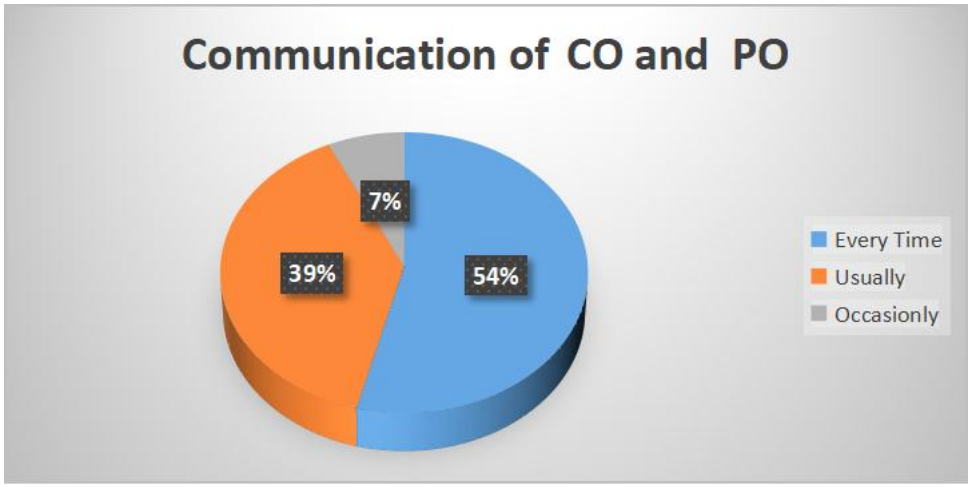
4. How well were the teachers able to communicate?



5. Fairness of the internal evaluation process by the teachers.



6. Teachers inform you about your expected competencies, course outcomes and Programme outcomes.



7. Your mentor does a necessary follow-up with an assigned task to you.

4. Requires internet access and devices
5. Increased distractions
6. Harder to be motivated for learning
7. Less hands-on experience
8. Increased cost
9. Harder to pay attention / stay on task

10. Harder to retain information
11. Lack of technical resources / proficiency

Feedback report

The various charts and graphs show the different views expressed by the students in regard to their perception of curriculum, teaching learning process, infrastructure, online classes etc. The students' feedback shows that the curriculum delivery and the teaching learning process was good but the ICT facilities and the library facilities needs improvement. The students are very much satisfied about the infrastructure and academic environment existing in the college and there is suggestion for the improvement of the sports facilities and also the internet facility of the college have to be strengthened. Students are satisfied with the effectiveness of the online classes conducted in the college but they are of the opinion that the offline classes are much more effective than the online classes. The major problems confronted by the students regarding the online classes are technical issues with connectivity, lack of gadgets, less hands-on experience etc.

Action Taken Report

1. Decided to conduct more orientation and awareness class to the students.
2. Decided to give more emphasis on Career development Programmes.
3. Decided to give proposals for the strengthening of the ICT facilities.
4. Decided to strengthen the extension activities.
