

## Teacher's Feedback Report 2022-2023

We are collecting feedback from our teachers on regular basis. We have designed a special form (online) for collecting the feedback and the same is available on the college website and also on the college WhatsApp group. We are collecting feedback from teachers on Academics, teaching learning process/ Infrastructure/ Student support and faculty development programmes. Teachers' feedback is an important source of information for betterment and development of the institution.

36 responses

#### Feedback report

The various charts and graphs show the different views expressed by the teachers with regard to their perception of Academics/online classes/ teaching learning process/ Infrastructure/ Student support and faculty development programmes. The teachers' feedback shows that the curriculum delivery and the syllabus of the course was relevant and appropriate. ICT facilities and the library facilities needs improvement. The teachers are very much satisfied about the infrastructure and academic environment existing in the college and there is suggestion for the improvement of the sports facilities and also the internet facility of the college have to be strengthened. Warm relationships are maintained between teachers and students and between teachers and parents. Teachers are very much satisfied with the support for the faculty participation in conference, seminars etc. and also with the training programmes conducted in the college.

## **Suggestions**

1. Motivational classes, academic and career guidance etc should be given to students from poor backgrounds.
2. Funds should be allocated to the functioning of various clubs and for arts and cultural festivals.
3. No. of Programmes have to be increased.
4. Internet connectivity in the campus to be improved.
5. Placement cell needs to be improved.
6. library resources to be strengthened

## **Action Taken Report**

1. conducted orientation and awareness class and remedial classes to the weaker students and students from reserved categories.
2. Functioning of the digital library commenced.
3. ICT facilities of the college were strengthened.
4. Decided to conduct more orientation and awareness class (Placement oriented) to the students.
5. Proposal was submitted to the directorate of collegiate education for sanctioning more UG and PG Programmes.
